NORTH-EAST PROBABILITY DAY
1 OCTOBER 2014

VENUE

Department of Mathematical Sciences, Durham University.

Provisional room: CG83. *To be confirmed.*

PROGRAMME

From 12.50 Lunch available

13.30–14.20 John Biggins (University of Sheffield)

Branching, smoothing and endogeny

14.20–15.10 James Cruise (Heriot-Watt University)

Probabilistic consensus via polling and majority rules

15.10–15.30 Break

15.30–16.20 Nicholas Georgiou (Durham University)

Skew-product diffusion limits for random walks with anomalous recurrence properties

16.20–17.10 Martin Lopez-Garcia (University of Leeds)

Random walks in ecology and cell biology
