

Representation Theory of Algebraic Groups and Related
Finite Groups

List of Participants

J.L. Alperin (University of Chicago)
H.H. Andersen (University of Aarhus)
T. Asai (Nara University, Japan)
R. Bédard (University of Ottawa)
D. Benson (Oxford University)
M. Broué (Ecole Normale Supérieure, Paris)
C.J. Bushnell (King's College, London)
K.J. Carlin (Warwick University)
R.W. Carter (Warwick University)
E. Cline (Clark University, Worcester U.S.A.)
W. Crawley-Boevey (Liverpool University)
S. Donkin (Queen Mary College, London)
S. Doty (University of Notre Dame)
K. Erdmann (Oxford University)
P. Fong (University of Illinois at Chicago)
E.M. Friedlander (Northwestern University)
R. Gow (University College, Dublin)
B. Haastert (University of Hamburg)
B. Hartley (Manchester University)
A.G. Helminck (University of Michigan, Ann Arbor)
P.J. Higgins (Durham University)
G. Hiss (Aachen University)
G. Horrocks (Newcastle University)
J.E. Humphreys (University of Massachusetts)
G.D. James (Imperial College, London)
J.C. Jantzen (University of Hamburg)
W. van der Kallen (University of Utrecht)
M. Kaneda (University of Illinois at Chicago)
A.A. Khammash (Warwick University)
F.M. Kouwenhoven (Warwick University)
B. Külshammer (University of Dortmund)
V. Lakshmibai (Texas A. & M. University)
P. Landrock (University of Aarhus)
G. Laumon (Paris)
G.I. Lehrer (University of Sydney)
M.W. Liebeck (Imperial College, London)
D. Livingstone (Birmingham University)
G. Lusztig (M.I.T)

K. Lux (Aachen University)
I.G. Macdonald (Queen Mary College, London)
G. Malle (University of Karlsruhe)
V.B. Mehta (Tata Institute , Bombay)
J. Michel (C.N.R.S, Paris)
G. Michler (University of Essen)
J. Moori (Birmingham University)
A.O. Morris (University College, Aberystwyth)
M. Mowbray (Queen Mary College, London)
C. Musili (University of Hyderabad)
J.B. Olsson (University of Copenhagen)
B. Parshall (University of Virginia)
W. Plesken (Queen Mary College, London)
P. Polo (Ecole Normale Supérieure, Paris)
K.N. Rajeswari (Texas A. & M University)
G.R. Robinson (U.M.I.S.T)
P.J. Rowley (U.M.I.S.T)
R. Sandling (Manchester University)
J. Saxl (Cambridge University)
L.L. Scott (University of Virginia)
G.M. Seitz (University of Oregon)
C.S. Seshadri (Institute of Mathematical Sciences, Madras)
T. Shoji (Science University of Tokyo)
P. Sin (University of Chicago)
S.A. Stebarski (University of Edinburgh)
P. Slodowy (Liverpool University)
L. Solomon (University of Wisconsin)
T.A. Springer (University of Utrecht)
B. Srinivasan (University of Illinois at Chicago)
R. Steinberg (U.C.L.A)
J.B. Sullivan (University of Washington)
D.B. Surowski (Kansas State University)
D.M. Testerman (Ohio State University)
Tsao Xi-hua (East China Normal University, Shanghai)
G. Walker (Manchester University)
R.A. Wilson (Cambridge University)
W.J. Wong (University of Notre Dame)
Ye Jia-chen (Tongji University, Shanghai)
