

List of Participants

- Ms M. Abdallah (Department of Statistics, University of Glasgow)
- †Dr. Y. Amit (Division of Applied Mathematics, Brown University)
- Dr. A. Baddeley (Centre of Mathematics and Computer Science, Amsterdam)
- Professor J.E. Besag (Department of Mathematical Sciences, University of Durham, Center for Spatial Statistics, University of Washington from 1st September 1989)
- Dr. D.K. Bose (Mathematics Department, Brighton Polytechnic)
- Dr. J.F. Boyce (Wheatstone Laboratory, King's College, London)
- Professor P.J. Brown (Department of Statistics and Computational Mathematics, University of Liverpool)
- Dr. P. Clifford (Mathematical Institute, University of Oxford)
- Dr. R. Coleman (Department of Mathematics, Imperial College, London)
- Dr K. Conradsen (IMSOR, Technical University of Denmark)
- Dr. P.S. Craig (Department of Statistics, Trinity College, Dublin, Department of Mathematical Sciences, University of Durham from 1st September 1989)
- Dr. I. Craw (Department of Mathematical Sciences, University of Aberdeen)
- Dr. A.R. Davies (Department of Mathematics, University College of Wales, Aberystwyth)
- Dr. S. Ellacott (IT Research Institute, Brighton Polytechnic.)
- †Dr. C.L. Farmer (Winfrith Petroleum Technology, AEE Winfrith, Dorchester)
- Professor B.R. Frieden (Optical Sciences Center, University of Arizona)
- Professor D. Geman (Department of Mathematics and Statistics, University of Massachusetts)
- Professor S. Geman (Division of Applied Mathematics, Brown University)
- Dr. P.J. Giblin (Department of Pure Mathematics, Liverpool University)
- Professor B. Gidas (Division of Applied Mathematics, Brown University)
- †Dr. C.A. Glasbey (Scottish Agricultural Statistics Service, University of Edinburgh)
- Miss J. Gough (Department of Statistics, University of Leeds)
- †Mr. F. Godtlielsen (RUNIT/SiMa, Trondheim)
- †Dr. S.C. Graham (Shell Research Limited, Sittingbourne)
- Mrs. A.J. Gray (Department of Statistics, University of Glasgow)
- Dr. P.J. Green (Department of Mathematical Sciences, University of Durham)
- Dr. C.V. Howard (Department of Human Anatomy and Cell Biology, University of Liverpool)
- Professor A.K. Jain (Department of Computer Science, Michigan State University)
- Dr. C. Jennison (School of Mathematical Sciences, University of Bath)
- Dr. I.M. Johnstone (School of Mathematical Sciences, University of Bath)
- Mr. M. Jubb (School of Mathematical Sciences, University of Bath)
- Dr. N. Karssemeijer (Laboratory of Medical Physics and Biophysics, University of Nijmegen)

- Dr. J. Kay (Department of Statistics, University of Glasgow)
- Dr. W.S. Kendall (Department of Statistics, University of Warwick)
- Dr. J.T. Kent (Department of Statistics, University of Leeds)
- Mr. M. Kirkland (Department of Mathematics, University of Strathclyde)
- Professor K.V. Mardia (Department of Statistics, University of Leeds)
- Dr. M.I. Miller (Department of Electrical Engineering, Washington University at St. Louis)
- Mr. R.D. Middleton (Mathematical Institute, University of Oxford)
- Professor S.K. Mitter (Laboratory for Intelligent Decision Systems, M.I.T., Cambridge, U.S.A.)
- †Dr. R. Molina (Depto de Ciencias de la Computacion, University of Granada)
- †Dr. N. Perez de la Blanca (Depto de Ciencias de la Computacion, University of Granada)
- Dr. A. Possolo (Boeing Company, Washington)
- Mr. W. Qian (Department of Statistics, University of Glasgow)
- †Dr. N. Roberts (NMR Centre, University of Liverpool)
- Professor B.D. Ripley (Department of Statistics, University of Strathclyde)
- Dr. J.B.T.M. Roerdink (Centre of Mathematics and Computer Science, Amsterdam)
- †Mr. H. Rue (Mr-Senteret, Sintef, Trondheim)
- Dr. J.J. Settle (Department of Geography, University of Reading and NERC Unit)
- Dr. A.H. Seheult (Department of Mathematical Sciences, University of Durham)
- Dr. L.A. Shepp (AT&T Bell Laboratories, Murray Hill)
- Dr. J.J. Simpson (Scripps Institution of Oceanography, University of California)
- †Professor E. Spjøtvoll (Division of Mathematical Sciences, Norwegian Institute of Technology)
- Mr. J. Stander (School of Mathematical Sciences, University of Bath)
- Dr. G. Stone (School of Mathematical Sciences, University of Bath)
- Dr. A. Sutherland (Department of Statistics, University of Strathclyde)
- Professor P. Switzer (Statistics Department, University of Stanford)
- Dr. C.C. Taylor (Department of Statistics, University of Strathclyde)
- Professor D.M. Titterton (Department of Statistics, University of Glasgow)
- †Dr. H.P. Trivedi (B.P. Research International, Sunbury)
- Mr. M. Tso (Department of Mathematics, UMIST)
- Professor D.J. Wallace (Physics Department, University of Edinburgh)
- †Dr. W.A. Wright (Sowerby Research Centre, British Aerospace, Bristol)
- Dr. A. Young (Statistical Laboratory, Cambridge)

† = self-funded
